Profile

I'm a Front-end developer looking for my first work experience in the world of web development. I'm curious and committed. Adaptable, proactive, and open to learning. Eager to grow professionally, and learn new skills. At present, I'm taking a course on NodeJS.

EXPERIENCE

FRONT-END DEVELOPER

Freelance project - Client's portfolio

APR 2022 - JUN 2022

- Created a static page for a Colombian journalist
- In charge of portfolio development to illustrate client's projects and services
